Our President

DR. ERWIN J. LUBBERS

Dr. Irwin J. Lubbers came to Hope College as president in 1945. Prior to his coming, he had served as president of Central College in Pella, Iowa.

News that Dr. Lubbers had been seriously injured in an automobile accident during the Christmas holidays, came as a shock to many of the student body. During his absence, the Board of Trustees appointed Dean John Hollenbach, Dean of Women Emma Reeverts, and Dean of Men Milton Hinga, to act in the capacity of an executive committee.

Dr. Lubbers returned to his duties on March l, and was officially welcomed back at a special assembly on March 4. On this occasion he emphasized the fact that his commission was more significant than ever before, and that he returned with renewed and increased zeal.

So, Dr. Lubbers, genial and understanding, carries out his duties as executive head of our college, always showing a keen and deep interest in the problems and activities of our student body. Students and faculty thank God that he was returned to us here, and was able to continue his work.

Board of Trustees

The Board of Trustees of Hope College is the representative body from the Reformed Church to which the College belongs. It consists of laywomen, laymen, and ministers from various parts of the country and it constitutes the final authority of Hope.

The members meet twice a year to weigh, discuss, and decide on questions of a spiritual and material value that have arisen throughout the year.

At the last meeting of the Board of Trustees, the members proposed a building program calling for immediate construction of two buildings and the erecting of two more at an early date. Two resolutions dealing with the building program were approved. The first authorized four major buildings to be built as soon as possible and the second, that a women's dormitory and a central heating plant be constructed immediately. The finances for the expansion program will be met with Hope's share in the Reformed Church's United Advance Drive. The other two buildings discussed by the Board of Trustees were a library and a gymnasium, although not included in the immediate program, the board considered them vital to meet the increased growth of the student body.

The Board has formulated a definite Christian educational policy for the college, and its chief responsibility is to see that this statement of principles is put into practice.

Administrative

John W. Hollenbach

Dean of the Faculty

Dr. John W. Hollenbach holds the office of the Dean of the College. The office was created in 1946 for the purpose of taking over many responsibilities brought about by increased enrollment. Among these are the coordination of course offerings and the preparation of the class schedule, revision of the college catalog, the handling of class absences, the supervision of the daily bulletin, the preparation of the examination schedule, and the handling of the mimeograph service. Dr. Hollenbach also takes care of counseling of students on academic problems such as probation, change of courses, and withdrawal from college. The Dean has the responsibility of carrying out the educational policies determined upon by the Educational Policies Committee and to take an active part in the formulation of such policies.

Canute Vander Meer checks his schedule with the dean.

"And make these out in quadruplicate."

Registrar

Mr. Hinkamp, the Registrar, keeps his finger on the pulse of each student on the Hope campus. He files high school and transfers' transcripts; records courses taken, credits earned and honor points attained by every student at Hope. Nine weeks grades are filed; report cards are mailed. Mr. Hinkamp handles special requests and waivers, presenting them to the administrations office.

When a student has completed the course a record is filed, showing the date of graduation, rank in class, degrees earned, average grade and a teacher's certificate, if any. The Veterans Administration must be notified of each veteran's work in college. Foreign student's records are filed with Immigration and Naturalization Service. Diplomas are prepared and arrangements for commencement are made.

Paul E. Hinkamp

Offices

Director of Admissions

A student was heard to say he appreciated Mr. Timmer's friendly and helpful counseling when registering for college entrance.

Mr. Timmer, Director of Admissions, and Mrs. Wolters, his secretary, screen mail requesting college entrance; mail letters and catalogues to prospective students and mail letters to all pastors of the Reformed Church, requesting names of interested students. The Committee of Admissions, of which Mr. Timmer is chairman, reviews every application of admission and decides on acceptance of them. As Director of Veteran's Affairs, Mr. Timmer conducts the testing program to veterans securing advisement through the local office of the Veterans Administration.

Clarence De Graaf

Educational Policies

Dr. Clarence De Graaf is chairman of the Educational Policies Committee. This committee deals with any matters concerning the ciriculum of the school. It must approve such things as new courses on the schedule and courses required for graduation. They have recently changed the policy concerning majors and minors required for a diploma.

Dr. De Graaf's office has several other functions. He assigns counselors to new students. Complete student records are kept here which are at the disposal of the faculty to help in their counseling. For six weeks each summer Dr. De Graaf directs Summer School. In recent years summer enrollments have greatly increased, which makes the supervision no small job. This office is also the headquarters of the English department

Bruce Raymond

Henry Steffens

Rein Visscher

Business Office

Hope College's business office is located on the west end of Van Raalte Hall on the main floor. It is comprised of two general divisions.

The executive committee of the Board of Trustees, President Lubbers, and Treasurer Mr. Henry Steffens execute the general work of financing the school. General bookkeeping is handled and directed by Mr. Steffens, who is assisted by Mrs. Wm. Haak, cashier. Mrs. Renze Hoeksema also helps with the bookkeeping as secretary to Mr. Steffens. Some of the treasurer's duties are to keep the books, disperse the funds, take care of all billing, and handle all investments made by the school.

College purchasing and general maintenance work is under the auspices of Dr. Bruce Raymond, general business manager for the school. He is assisted by Mr. Rein Visscher who is in charge of Hope's dining facilities. Mr. Visscher is responsible for the efficient management of Temple and Voorhees dining rooms and kitchens and directs student waiters, waitresses, and dishwashers at both places. He also handles the purchasing of all food for the school.

Dr. Raymond directs the upkeep of all of the twenty-five buildings on the campus and works with Mr. Frank Lighthart who is the head janitor. The latter also has a staff working under him. The issuing of work checks, records of all student employment, and all incoming college property rent is also under the direction of the business manager. Dr. Raymond is assisted in his duties by his secretary, Miss Esther Haveman.

"Now these people haven't paid their board."

Our Deans

Emma M. Reeverts

Our new Dean of Women, Miss Emma Reeverts, came to Hope last year from Berea College, Berea, Kentucky. When she is not engaged in teaching Sophomore literature, one may now find her in beautiful Gilmore Cottage.

Besides counseling, doing personnel work with women on campus, Dean Reeverts spends her hours attending meetings of Alcor Society, Women's Activity League, the house board, Panhellenic Board and various other women's committees. Also entailed in her work is the promotion of a social program on Hope's Campus. Miss Reeverts acts as the campus hostess to out-of-town guests.

The Dean of Women, along with Deans Hollenbach and Hinga, helped carry the administrative burden this year in Dr. Lubbers' absence.

Milton L. Hinga

"The most important thing about my job is the amount of help l may be to men students on campus; to solve problems and have someone to talk to."

Besides the most important thing in the strenuous task of overseer for Hope's 750 men, Dean Milton (Bud) Hinga assists President Lubbers in his student relationships and shoulders the unpleasant duty of dealing with chapel and class cuts. The office of the Dean of Men is always open to fellows on campus. Mr. Hinga also has charge of the interfraternity council and housing of men students.

Dean Hinga has been at Hope since 1931 and has officially been Dean since 1945. Previously, as coach and sincere friend, he had already, in the eyes of his team, earned the title of "Dean."

Dean Reeverts enjoys new office.

Hinga Advises.

The Faculty

Hope College was founded on the principle of aiding youth to formulate a Christian philosophy of life which would supplement the regular college curricula, thus producing young men and women better fitted to cope with the varied aspects of life.

The responsibility for carrying out this program has fallen upon the faculty. As the college has grown to the present enrollment of 1,185, the faculty has grown correspondingly. But even with the rapid expansion of recent times, an outstanding feature of Hope College is the close relationship which exists between teacher and student. This personal, friendly relationship plays an important part in helping the student by showing the interested and helpful attitude of the faculty.

Due to the rapid changes which civilization and society underwent, life became increasingly complex and it became necessary to expand the laculty in different directions to keep pace with changing conditions so that students would be better enabled to live intelligent, happy and well adjusted lives.

At present Hope boasts an excellent English department; a fine, growing Music department; a nationally recognized Science department; as well as the large and efficient department of Social Sciences. The language department very adequately prepares its students in this field; while the department of Religious Education plays its important part in campus life by sponsoring the campus Y associations in addition to their regular work in the Bible and Philosophy classes. We have long been proud of our capable Mathematics department, and the expanding department of Speech and Dramatics. The department of Education carries out its work of preparing teachers for elementary and secondary schools.

The faculty of today truly presents a well-rounded, mature program of education to the student body. Too much cannot be said in appreciation of their patience, helpfulness and understanding attitude.

In a measure to provide for the spiritual needs of those young men who are taking a pre-seminary course or those who are interested in active Christian service Alpha Chi was founded and has now taken its place among the active organizations on the campus. Each fall new members are invited and after an initiation are welcomed into the society.

A variety of the best speakers enlighten the monthly meetings and the fellowship together binds all in a common friendship. Assuming campus responsibility during the year, Alpha Chi members often lead chapel and furnish special numbers. Joint meetings also with the sister organization, Kappa Delta, make for some of the high points of the year.

Much practical benefit is derived from the organization by all members because of the friendships formed and also by the apportuni-

ties to work out special problems and controversial issues concerned with their future work.

A friendly get-together for a few Kappa Deltas.

Kappa Delta has been organized for only three years. It arose from groups of young women who proposed to investigate the methods and possibilities of full or part-time Christian service.

Meetings are held monthly, at which time some definite phase of Christian activity is discussed. At some meetings emphasis has been laid on home missions. Films were shown of some of our domestic mission stations. Foreign missions were stressed through book reviews, discussions and guest speakers.

The annual project was sent to the board of Foreign Missions for the tuition of a student in a Christian college abroad. The Christmas boxes included Annville, and Winnebago mission stations.

Officers serving this year are: Emmabelle Jewett, President; Bernice Nichols, Vice-President; Pauline Hendrieth, Secretary; Mary Bried, Treasurer; and Caroline Heckler, Sergeant-at-Arms.

Spanish Club

Mr. Madrid and Mrs. Prins of the Spanish department.

The revitalizing of the Spanish Club this past year can be viewed as a milestone in integrating the cultural background of its members. Throughout the year a study of Spanish and Mexican songs and the festive Mexican dance has predominated. However, literary and art work has not been forgotten by the club in pursuit of a broader and more understandable knowledge of the Spanish language and Spanish speaking peoples.

Faculty sponsors, Mrs. Prins, Miss Randels and Mr. Madrid, were instrumental in the interesting programs arranged by the capable Vice-President, Karyl Prigge. Other officers included Dick Brown, President; Delores Freyling, Secretary; and Dave Hoogerhyde, Treasurer.

Highlighting the year's activity was the very beautiful portrayal of the Spanish "posada" at the Christmas meeting and the rendition of a humorous play, "El Viaje de un Provinciano".

FIRST ROW: Mrs. Prins, D. Hoogerhyde, P. Prins, R. Brown, H. Ball, D. Booi.

French Club

The French Club visits Miss Meyer's home.

The French Club was reorganized this year after having been a participant in last year's Modern Language Club. Approximately forty students are active in this organization which meets the first Monday of every month at the homes of Miss Nella Meyer and Mrs. Peter Prins, the faculty advisors.

The entire business meeting at these gatherings is conducted in French, giving its members a chance to actually apply their knowledge of the language. After the business meet-

ing, different student members take part in presenting some phase of French literature, art, music, or drama, to the organization.

Typical of their meetings was the one at which a scene from Moliere's "Imaginery Invalid" was presented in French by some of the group.

The officers of the organization are President, Lois VanWyke; Vice-President, Betty Boelkins; Secretary, Marcella Westerman; and Treasurers, Lois Austin and Donald Evers.

FIRST ROW: R. Gunn, Mrs. Prins, L. Austin, E. Boelkins, L. Van Wyk, M. Westerman, Miss Meyer, G. Viening. SECOND ROW: K. Ponstine, N. Corp, E. Short, J. Moessner, P. Letz, N. Hungerink, L. Van Farowe, H. Vander Woude, H. Baker.

THIRD ROW: M. Wolffensperger, J. De Block, L. Hospers, M. Van Loo, D. Milne, F. Sherman, G. Avakian, H. Van Egmond, M. Vermaire, H. Baker.

German Club

"Snow White and the Seven Dwarfs" and in German yet.

tempts to furnish its members with a variety of programs at their monthly meetings. This year's programs included a rendition of the German version of "Snow White and The Seven Dwarfs", a study of the music of Johann and Richard Strauss; and a special Christmas party. German songs were sung at each meeting.

The group's big project for this year was the presentation of the German movie, "Emil and die Detektive". This story was widely read in the first year German classes, and consequently a large number of interested students attended the showing of this film. A collection was taken, the proceeds of which were donated to European relief.

The German Club has an active membership of about 35 students who are enrolled in Intermediate German, or who have completed two years study of this language. The officers are: President, Helen Wagner; Vice-President, Virginia Hemmes; Secretary-Treasurer, Shirley Visser,

English Majors Club has for its purpose the development of a greater appreciation of literature through a study of the works of various well-known authors in the field of English writings.

This year, to assist the member in achieving this goal, poetry and prose were studied and discussed without regard to authors, or aid from outside sources. This helped the members to see the value of the material for the literature itself.

Meetings are held the third Wednesday of every month at Gilmcre Cottage. Programs are completely in charge of the members of the organizations.

Leon Sparling was chosen to wield the gavel, ably assisted by Carol Jean Hermance and Bernard Rowen as covice-presidents; the records being kept by Ruth Tallman; with Marbella Westerman handling the finances.

Dr. DeGraff is faculty advisor, assisted by Miss Reeverts, Mr. Brand, Dr. Hollenbach, Mr. Prins, and Mr. Ten Hoor.

Alcor has a supper meeting

Alcor

To become a member of Alcor women's honorary society is one of the cherished ideals of every Hope Coed. This honor is granted to Junior girls on May Day of each year, who have met the requirements of excellent scholarship, active participation in many campus activities, and noble character and ideals.

Under the able direction of its president, Helen Wagner, Alcor performed many useful and worthwhile activities for the school and students this year. One of them was the packing and assembling of boxes of clothes for Saraspatok College in Hungary.

Pleasant hours of relaxation and sociability were afforded Hope's students when Alcor girls conducted their afternoon "coffies" in the living room of Voorhees Hall. All dormitory women also appreciated the sandwiches, apples, and candy boxes which Alcor members sold to them on certain evenings when there were "no nights out" or "after hours".

Every year as a parting gift from this organization a scholarship is awarded to the sophomore girl who has the highest scholastic record in her class.

FIRST ROW: Miss Boyd, H. Wagner, P. Dietrich, R. Dalenberg. SECOND ROW: M. Vermaire, M. Lucking, L. Van Wyk.

Blue Key

The book store is Blue Key's biggest project.

The Hope College chapter of Blue Key National Honor Fraternity with Vergil Dykstra as its able leader contributed varied services to campus life. Members of Blue Key are upperclassmen chosen for their academic attainment and participation in student activities.

Activities centered around a much enlarged and improved bookstore, run for the convenience of all students at Hope in keeping with Blue Key's aim of service to the school. Other of the organization's activities included publishing of a Student Guide for the student body as well 'as printing and distributing football and basketball programs at each of the home games during the major sport seasons.

At the end of each year, bookstore profits are returned to the school in the form of a gift, such as the illuminated bulletin board in the north entrance to Van Raalte Hall given by the Blue Key members of last year.

Chemistry Club

The Chemistry Club under the very capable supervision of Dr. Van Zyl and Dr. Kleinheksel has completed another successful year. This club was organized some years ago for the purpose of bringing the pre-professional chemistry students together and has since that time been an active organization on our campus.

At the monthly meetings there were presented various phases and branches of chemistry through talks by its Senior members as a result of their own research or through lectures by various outstanding professional chemists. It is this variability of subject matter which makes the meetings of particular interest since it not only broadens their knowledge of chemistry but often presents a field in chemistry which they may wish to enter. Interspersing the more serious work with joking and laughing and an occasional party, the fellowship of the Chemistry Club has come to mean a great deal to each one of its members.

FIRST ROW: W. Friedberg, T. Durkin, G. Zuidema, J. Mulder, D. Boot, G. Gnade.

SECOND ROW: E. Viss, H. Failor, D. Vanden Brink, A. Vander Kolk, P. Westerhoff, J. Wiersum, W. Eickelberg, W. Wagner.

THIRD ROW: A. Sweet, G. Bottema, M. Kragt, O. Killan, R. Dalenberg, A. MacMillan, M. Butlar, E. Koch, A. Pennings, G. Van Single.

Biology Club

This year found a reorganized and active Biology Club at work on campus. During the war years there were too few students in this field to maintain an active organization, but now with the large numbers of Biology majors and pre-medical students back on the campus, the club has resumed its active role.

The choice of programs was especially varied and of universal interest. Speakers from many fields of science addressed the group on different occasions and several interesting films were obtained. A highlight of the year was the group's visit to Pine Rest Sanatarium at Cutlerville, where they saw many phases of mental illness and its treatment.

The group is indebted to Dr. Vergeer for the interest he has shown in their work, and to the capable program committee for their contribution. After such a fine beginning the Biology Club is looking with enthusiasm to the future.

Sociology Club

Dr. Voogt clears up a point after sociology class.

FIRST ROW: Dr. Voogt, J. Bennett, R. Gunn, D. Boss, P. Maassen, R. Bhe.

SECOND ROW: L. Brady, K. Ponstine, L. Muyskens, C. Fikse, J. Moessner, H. Vander Woude, M. De Ronde, E. Jannenga.

THIRD ROW: H. Van Egmond, C. Lelfingwell, D. Milne, M. Biel, G. Avakian, R. Ruys, E. Hinkamp.

The youngest society on the campus is the Sociology Club. At Christmas time, club members collected toys and distributed them to children of needy families. To that date the club had only been a month old. Their aggressiveness did not wane. The members attended very instructional meetings at which sociological problems were presented. Special speakers were Miss Athylynn Lundberg of the Muskegon, Michigan, Probate Court, and Mr. Charles Stoppels, detective from Grand Rapids, who told of Juvenile Delinquency. From the Holland Bureau of Social Aid, the group heard Mrs. Hadden and Mrs. Hillegonds.

The Sociology Club traveled to the County Circuit court at Grand Haven and to the Star Commonwealth for Boys, in Albion, Michigan.

The charter officers are Pierce Maassen, president; Don Bos, vice-president; Ruth Ruys, secretary, and Bill White, treasurer. Dr. Henry Voogd is the faculty advisor.

Dr. Van Saun club advisor.

Philosophy Club

FIRST ROW: Dr. Van Saun, B. Pennings, H. Dykstra, H. Dean, P. Breen, A. Dykstra.

SECOND ROW: C. Larsen, R. Van Zyl, R. Folkert, W. Curtis, V. Dykstra, R. Johnson.

The unwritten charter of the Philosophy Club states that its purpose is to give its members an opportunity to ponder problems of a philosophical nature. The only requirement for membership is an interest in such discussions. The meetings are informal and under the guidance of a chairman. At each monthly meeting a student-prepared paper is read and discussed. This provides the student and faculty members present an opportunity to express their opinions and to subject them to friendly criticism.

The discussions of the past year were varied and enlightening. Dr. Dykstra and Dr. Van Saun added their contributions to those of the students with very satisfying results. In accord with tradition, the last meeting was devoted to a social time. As Keeper of the Archives, Peter Breen handled the publicity for the club. Allan Dykstra rode the helm as chairman. Dr. Van Saun is the faculty advisor.

International Relations

International Relations club was founded for the purpose of stimulating interest in that field. Among its activities were panel discussions, a delegation to the Midwest Intercollegiate conference held the last part of February in Chicago, participation in help for CARE, and also a delegation to the Midwest International Relations Club conference at Ann Arbor in the middle of March.

The affiliation with International Relations Club sponsored by Carnagie Endowment for Peace not only keeps members posted to world affairs but also provides source for a wealth of material.

Although still a young organization, the popularity of this club has increased tremendously and with the increasing enrollment and interest the future possibilities are more and more to be realities. With firm resolution the International Relations Club is planning to do its part in the process of making the world the place it can be. The greatness of America lies in people such as these.

Camera Club

The main event in each year for the Photo Club is the contest in which all college students may participate. This year for the first time, a color division was introduced to meet the popular trend toward color photography. First places were chosen from each of the divisions of campus scenes, sports, activities, and student and dorm life. A grand prize was awarded from among these firsts.

The regular bi-monthly meetings include sessions in posing and portrait studies, print comparison and criticism, darkroom methods, and

a special wide interest meeting of color slide projections. All the members have the use of the newly equipped darkroom on the third floor of the Science Building.

The officers for this year have been Russ Kraay, Al Pennings, and Ted Flaherty as President, Vice-President, and Secretary-Treasurer, respectively.

The club looks forward to an even more profitable year with many enthusiastic members.

FIRST ROW: J. Van Single, A. Pennings, R. Kraay, T. Flaherty, R. Ennenga.

SECOND ROW: J. Stephens, Mrs. Flaherty, R. Resch, H. Tuurling, W. Flaherty, N. Dykema.

Nice work if you can get it.

Phi Kappa Delta

FIRST ROW: D. Buteyn, H. Moes, A. Ponstein, D. Vandenberg, R. Paul, L. Ponstein, P. Breen.

Pi Kappa Delta is the Honorary Forensic Society on the campus. Eligibility rules for membership requires members to have won a local oratorical contest or have achieved proficiency in debate. The Society encourages forensic activities on the campus. Oratory, debate, group discussion and extemporaneous speaking are stressed.

Functionary officers are President, Secretary, Treasurer and Debate Manager. These offices are held by Peter Breen, Jean-Watson, Virgil Dykstra, Henry Shaw and Don Vandenberg. Members of Pi Kappa Delta have spoken and debated and observed on the campus, in the community and at colleges in Michigan and Illinois.

SECOND ROW: R. Hoeksma, G. Bruggers, J. Ligtvoet, A. Pennings, D. Mulder, R. Higgs, R. Wildman.

Each year the biographies of several outstanding seniors are selected to appear in the current issue of "Who's Who" among students in American Colleges and Universities. The purpose of this national publication is to secure as an honor for deserving students displaying merit in college.

Those honored by selection this year were Gordon Brewer, Glen Bruggers, Phyllis Dietrich, Richard Higgs, Renze Hoeksema, John Ligtvoet, Marjorie Lucking, Donald Mulder, Alfred Pennings, Joseph Palmer, Alma VanderHill, Helen Wagner, Robert Wildman, and Mildred Vermaire.

SECOND ROW: R. Kraay, A. Pennings, P. Mulder, W. Eickelberg, J. Tirell.

It cannot be said that the Interfraternity Council legislates the amount of paddling administered to each hazee during initiation, but the Council makes the rules and forms the policies of all the fraternities on the campus. Thus the "rushing" season is co-ordinated and numbers of membership are regulated. The Interfraternity Council is formed of a representative of each fraternity. Mr. Hinga, the Dean of Men, is Chairman. Phil Meengs is the Secretary.

Pan-Hellenic

FIRST ROW: D. Boot, L. Sikkema, M. Westerman, Miss Boyd, L. Van Wyk.

SECOND ROW: J. Adams, E. Snow, M. Buttlar, J. Sibley, E. Schmitz, D. Bergers, R. Dalenberg.

The Pan-Hellenic Board is composed of two members from each of the sororities, one representative being a junior and serving for two years and the other a senior member of the sorority. This board works with its director, Miss Boyd, and Dean of Women, Miss Reeverts in formulating all the regulations regarding rushing parties, pledging sophomores and transfer students, and whatever other rules it deems necessary for the efficient operation of Hope's Women's Societies.

Delta Phi

"In the morn of college days, youthful dreams unfold" while enthusiastic Delphians again chorused the opening bars of another successful production of the "Delphian Musicale". Rehearsals and casting had begun under the conductorship of Shirley Visser with Audrey Reagan as concertmaster. Scores for the production were written by Alma Vander Hill while Carolyn Ingham handled the box office returns.

The prelude carried the cast to the shores of Lake Michigan for a slumber serenade. Friendships were renewed and loyal Delphians eagerly anticipated activities of the year.

Everyone worked together in close harmony for the success of the Round Robin tea which resulted in a hilarious night of Informal Initiation and a thrilling Pledge Day for 49 new pledges and upperclassmen.

Next the new pledges in their traditional white formals and corsages of chrysanthemums became active participants in their new roles as Delphians.

Soon solt strains of Christmas carols filled

the Dutch Mill breakfast room as Delphians bid farewell to the college setting and left for 'Home Sweet Home''.

The New Year began with mystic melodies from the "Wonderful Land of Oz", Delphian winter formal party.

During intermission, the conductor handed her baton to Alma Vander Hill, who directed activities until the finale. New concertmaster was Marcella Westerman with Jerry Uppleger now in charge of the score.

For the Valentine Day score, the Delphians held their potluck meeting. The tune then blended with others and critics called a "Success" the joint meetings with Cosmopolitans and Emersonians. At Student Council's signal, Delphi and each other organization joined in the all-college sing. Again the critics wrote success.

The Delphians gathered for the last finale at the lake shore. The senior maestros, who had taken the leads, played their last solos and left their understudies hopefully and eagerly anticipating next year's Delphi production.

Dorians enjoy an afternoon chat in their room

Looking back on this 1948 Milestone will prompt many of us Dorians to take a "Sentimental Journey" through our past year together. Last fall the train pulled out with sixteen members who were welcomed at a Beach Party at Lake Macatawa. The conductor was Phyllis Andre, assisted by Ruth Quant, Betty Brinkman and Gerry Scheerens. The mcmorable "slave week" followed with Formal Initiation. The impressive candlelight ceremony welded the hearts of Dorians into a compact circle of Sorority Sisters.

Homecoming found us travelling to the "Marquee" for the annual "Alumnce Breakfast" which gave all the old and new members a grand chance to get acquainted and have fun. According to tradition, we attended the Homecoming football game together.

At election time, Phyllis Andre yielded the Presidency to Betty Brinkman who was assisted by Carol Brandt, Vice-President; Betty Harris, Secretary, and Gerry Scheerens and Betty Ann

Dorian

Koch, co-Treasurers. Their term of office recorded many unlorgettable memories, including our winter formal party, "Mist of the Moon", which was held at the picturesque country club. The weeks of planning culminated in a never-to-be-forgotten evening.

New "Pledgies" joined our ranks in the Spring followed by a joint meeting with the Emersonian fraternity. At the Penny Carnival our ice cream booth, "The Igloo", helped the drive to aid our sister college, Sarcspatak.

During the third lap of our travels through the year, Gerry Scheerens presided, assisted by Joan Wilson, Helen Van Dyk and Petty Ann Koch.

In our "Sentimental Journey", we are also sure to linger a while on the memories of our informal party and the annual All-College Sing. As we reflect on the good times at our weekly meetings, we Dorians know that this year will always be remembered in our future reminiscings of Kappa Beta Phi.

SIGNA DE VA

Sibylline

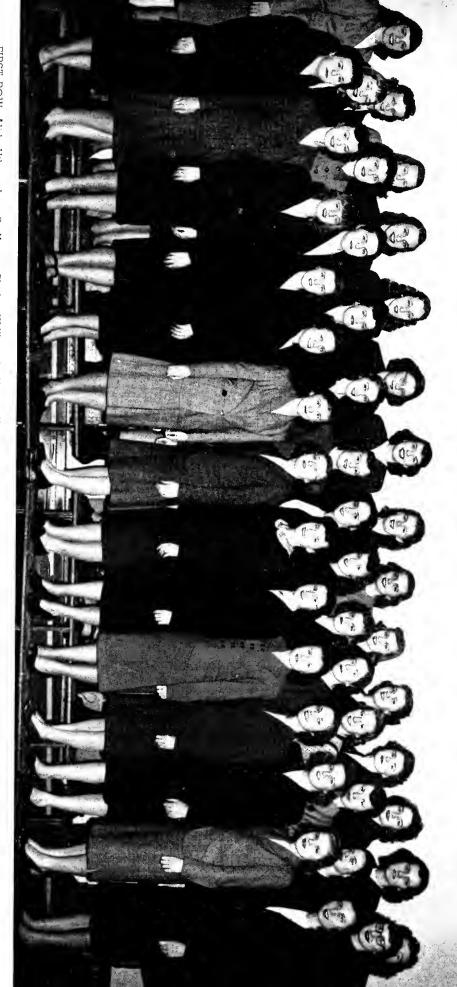

Sibs hold weekly meeting, or is it knitting.

A few card games after the banquet.

- "Sibylline will shine tonight"— the words of this song resounded from the Sib rcom almost every Friday during the school year. Arm in arm around the circle of friendship, the girls found singing songs an ideal way to end the regular meetings— meetings which centered about numerous themes.
- Ideas for the year began popping up at the annual Sib Convocation Eve houseparty. With all the summer events to talk over, plus plans for the new year, who cared for sleep?
- Bird's eye views of the various sororities were presented for the sophomores early in October. Sibs took their guests on a story book sail to the Land of Nod and presented each visitor with a shell-trimmed bookmark, to "mark" the place of Sibylline.
- Yells and cheers emitted from the grandstand at the Homecoming football game. White carnations with blue ribbons worn by Sibs and alumnae dotted the grandstand. Farlier at the annual brunch friendships were made and renewed.

- Louis XV Room at the Rowe Hotel, Grand Rapids, was the scene of the Sib winter formal party. "Sib Soiree" was a long-to-be remembered event of the year.
- Levity was the keynote of several joint meetings with fraternities, Sibs had during the year. Food and fun—successful meetings ensured!
- In the spring the Sibs' fancies turned to thoughts of the All-College Sing and other activities. Sibs practiced their hardest to keep the Sing cup which had adorned the Sib room all year.
- Notebooks and books were ready to be put away when the time came for the Sib spring party. No one was to mention the exams coming up.
- Eyes were all turned at graduation time to the seventeen Sib seniors who have well-represented Signa Iota Beta and Hope. Thus ended their college careers and another successful year for Sib!

The Sigma Sigma calendar of 1947 and 1948 is filled with many memorable dates ranging from the first meeting, held at the old standby, "Heart's Ease", on Lake Macatawa to the farewell meeting in the spring. On this occasion senior members left their will and philosophy to remaining sisters and opened the ranks of the white and gold to sophomore girls, who wish to follow the traditions and ideals that Sorosis upholds.

Some of the most enjoyable and impressive times were the welcome meetings for new members who received yellow roses, after which followed entertaining programs and refreshments for all. The informal initiation proved to be lots of fun for the active members, but somewhat less enjoyable to the pledges. Formal initiation ceremonies were carried out with all the seriousness and dignity which contributes to the impressiveness of this occasion. Two election teas and a spring alumnae tea furnished sociable experiences whereby Soro-

Sorosis

sites could better acquaint with each other and alumnae members.

Homecoming afforded an additional opportunity for alumnae and active members to become acquainted at the annual Alumnae luncheon before the football game. Here everyone received large white chrysanthemums and afterwards attended the game "en masse".

Another important date of the year was the Winter Party, held at the Warm Friend.

Joint meetings, basketball and softball teams, and the informal Spring Party proved to be welcome forms of diversion throughout the year. The "House of Horrors" at the Penny Carnival provided thrills for those who liked vacuum cleaners, water pistols, mummies, ghost-like screams and lipstick.

The unforgettable end-of-school houseparty, bidding farewell to graduating seniors, closed the forty-second year of lasting friendship, devoted service, and highest loyalty to Hope and Sorosis.

Thesaurian

As the last notes of the reveille of registration died away, roll call was held in the Thesaurian camp. Orders for the day were issued.

First order was the Round Robin Tea held in the Thesaurian P.X. The camp program of "Theta Night Watch" was so attractive to eight girls that they enlisted. After memorizing the various A. R.'s of the camp, the following girls were given the rites of formal initiation: Hilda Baker, Beverly Bame, Mary Bried, Shirley De Boer, Betty DeRyke, Cynthia Fikse, Lois Stanton, and Lorraine Van Farrowe.

Homecoming in October called back all former soldiers of the camp, with a breakfast and the game on the program. Many alumnae responded to the call.

The next order was to prepare for the camp's Informal Party of "Theta Snow Boat" consisting of a sleigh ride, and square dancing.

Susan Brink enlisted in the service of Theta Gamma Pi the second semester.

Orders for the day were issued again. Prep-

arations began to be made for the sorority formal party, "La Fiesta Primavera", with the Spanish theme predominating.

Suddenly the sounding of taps for Tonsi, Gertrude, Lillian, Marge, Alice, Lois, Phyllis and Pauline, who received their honorable discharge papers from Hope College, made us realize that our year of training in the camp was completed.

The following officers were selected to serve during the year:

C. O., P. Darrow, L. Austin, A. Van Kempen.

Lt. Col., M. Schroeder, G. Metten, M. Brewer.

Pub. Rel. Officer, M. Brewer, P. Stegenga, H. Baker.

Alpha Sigma Alpha

Back in 1945, the Pan Hellenic Board decided that no girl should be admitted into a regular sorority until she became a sophomore. After this decision, A. S. A. was started to give the freshman girls a society which would take the place of the regular sorority.

With the large enrollment it would have been impossible for the freshman girls to get to know each other. However, A. S. A. has provided a means whereby the girls can become well acquainted with each other through working together.

The year '46-'47 was started at a joint meeting with the girls of the previous year. At this meeting the high ideals of this sorority were handed down to the newcomers. From then on, meetings were held informally, every week, in the West Hall lounge. Most of these meetings were spent in necessary business with a

social hour following.

For the first time this year, it was decided to have sorority pins. This was done mainly for those girls who would not return for the next year and who would not belong to another sorority.

The first big event on the social calendar was in the form of an informal party held early in January. The "Twin Spin", as it was called, was held at the Women's Literary Club and proved to be a great success. The middle of April found the girls excited once again for during this month, A. S. A. held their Formal party in the Country Club House. "The Myth of the Deep" was another success for both girls and their guests.

The girls also worked very hard on their contribution to the All-College Sing and on the fish pond booth for the Penny Carnival.

An informal party at the Lit Club, and everyone's having fun.

Arcadian

New Arcadians pose after formal initiation.

Bill Flaherty is sold into slavery.

Chi Phi Sigma entered its second year with determination to become bigger and better after one year's experience on Hope's Campus. Fifteen new members entered the ranks in the fall. These were followed by ten more fine pledges in the second semester.

The strains of the "March of Brotherhood" are becoming more and more familiar. Arcadians were glad to hear that their singing of their fraternity song won for them second place recognition in State Fraternity Sing competition.

As a fitting climax to a busy first semester, Chi Phi Sigma held its Winter Formal at the Morton House in Grand Rapids on January 31st. The theme of the party was centered around Greek gods and goddesses, hence the name "Feast of the Gods".

Serious and humor papers, group singing, and special music composed the bulk of the entertainment at the weekly meetings.

Arcadians enjoyed inter-fraternity competition in basketball, bowling, track and singing. Plans for the second semester included several joint meetings with sororities, a swim at the Grand Rapids "Y", and a Spring Party in May.

Jack Stegeman, first semester vice-president, replaced Virgil Dykstra as President, the second semester. Ted Flaherty filled in the Vice-President's position, Ken Leetsma replaced Hank Keift as Secretary, and Sam Posthuma replaced Ken Leetsma as Treasurer.

An interesting project of Arcadians was a series of movies held weekly for the college students and townsfolk on current events. Complete profits went to "CARE" for food for underprivileged Europeans.

After an even more prosperous second year than their first, the Arcadians are looking forward to an even more glorious, prosperous season next year.

Cosmopolitan

The Cosmopolitan Fraternity began its fifty-seventh year by pledging a fine group of carefully chosen men to its time-honored principles of Friendship, Truth and Progress. Mr. Clyde Geerlings, popular faculty advisor of the previous year, once more served in this capacity. Jack Pontier was chosen President for the Fall Term; with John Ligtvoet to assist him as vice-president and Timothy Harrison as Secretary. Jack Robins assumed the office of Treasurer for the year. These men, ably assisted by wise old cosmo George Dykstra, led the pledges through a most successful and stimulating initiation period which was climaxed by an impressive formal initiation ceremony.

Before the Christmas recess, officers were elected for the second term. John Ligtvoet wielded the gavel, Russ Cloetingh as vice-president took charge of program planning and Clayt Van Hall took over as Scribe. The highlight of the season was the 57th Annual Winter Party which was held in the Occidental Hotel

in Muskegon. Cosmopolitans and their guests dined on delicious tenderloins in an atmosphere of candlelight and soft music.

In March, five new pledges were welcomed into Cosmopolitan fellowship. Another highlight of the months was the very enjoyable joint meeting with the Delphi sorority. Officers elected for the Spring term assumed their duties with George Toren presiding; Henry Hoftiezer serving as vice-president, and George Zuidema keeping the records.

Another year of fellowship and warm friendship was climaxed by the very successful Spring Party held at the Spring Lake Country Club. Cosmopolitans and their guests brought the year to a happy conclusion by spending a most enjoyable day in a variety of sports, after which they enjoyed a delicious meal and fine entertainment. The entire membership of Cosmopolitan is looking forward to another successful year with eagerness and anticipation.

Emersonian winter formal was a big success.

Annual Christmas serenade.

Emersonian

Emersonian, rolling forward frcm its greatness in the past, goes on to superior greatness. With the return of the new year of campus life, Emersonian again took up its campus reigns. The rushing season was climaxed by the fitting initiations, both informal and formal. The selected new members were imbued with the three passwords of Love, Honor and Success which lead to the perfection of all that Emersonian stands for.

Carrying on through the scholastic year, Dr. John Hollenbach, Dean of Hope College, once more assumed the post of faculty advisor. Emersonian also participated in the intra-mural sports such as bowling and basketball. Hilights of the year were the variety of joint meetings with Sororities and the tremendous

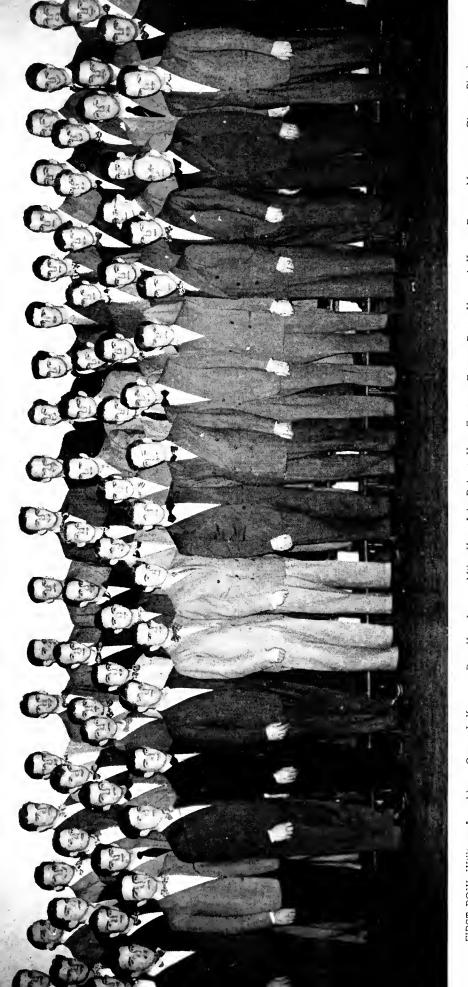

success of the Formal Winter Party. Carrying out the theme of "A Ride on the Emersonian Train", members and guests traveled through an evening never-to-be-forgotten for its fun and enjoyment. Spring frought with its new life, a climax of winter inter-fraternity basketball and bowling and ushered in the events of the All-College Sing, terminating the many hours of practice; May Day with its exciting activities and the Spring Party which further spiced the time of the year.

With its principles bearing her onward, Emersonian maintains its campus leadership and strives ever onward, binding men to men with ties of brotherhood and love. With a firm resolve Emersonian looks to the dark world future with the light of freedom blazing in her eye as a beacon of Hope.

Fraternal

Fraters held their winter party in Grand Rapids.

Weller "Frolics."

The closing of the school year of 1948 marks the end of another successful year for the Fraternal Society. Since its reorganization after the war two years ago, O K E has fully regained its prestige of pre-war days and once more ranks among the leading fraternities on our Hope College campus, both scholastically and athletically.

After welcoming in the new members at the opening of the school year, every one took part in the great sport of initiating the Freshman. With due formalities over, the Fraternal held their Winter Formal party in Grand Rapids early in December.

One of the most outstanding events in the life of Fraternal this year was the presentation of the Annual Frater Frolics. Produced entirely by its own members, it was presented to several enthusiastic audiences at the Women's Literary Club during the early part of March.

The Fraters later took their show and made a presentation of it as a Red Cross Benefit show for veterans at Percy Jones Hospital in Battle Creek.

This year Washington Day Stag was held in the Marquee and proved to be, as did many of its other literary meetings, highly successful and enjoyed by all.

Fraternal, as has been a tradition of past years, ranked high in all interfraternity activities. The basketball teams in both leagues garnished high honors as did also the track and bowling team. The fraternity also showed their talents in the All-College Sing.

Thus another year in Fraternal History has slipped by and it is the earnest hope of the members of OKE that in the years ahead, as in years past, the sun of the Fraternal crest may continue to be a rising one.

Knickerbocker

Kappa Eta Nu got off to a rousing start in the fall by serenading the dormitory girls with songs and refreshments. Our advisor for the year was again the capable and popular Mr. Haverkamp with Art Van Eck as our first semester president.

The Knicks immediately plunged into the business of pledging new members and after surviving the tortures of informal initiation, eighteen men took the oath of Knickerbocker and were welcomed into the organization.

Several means were employed to lend variety to the meetings. On date nite each member invited a friend to a regular meeting out at Miller's. Several joint meetings were held with the various sororities and later in the year many outstanding speakers were brought in to enlighten and entertain the group.

The first semester was climaxed by the Winter Formal Party held at the Morton Hotel in

Grand Rapids. All agreed it was one of the finest parties that has been given.

During the second semester, led by our new president, Jim Cook, eight new members were taken into the organization. Throughout the year the Knicks were active in the intramural sports field, making creditable showings in basketball, bowling, and softball.

One of the outstanding events of the year was the All-College Sing in which we were well represented. The school year was climaxed by the Spring party, always on outstanding event on our calendar.

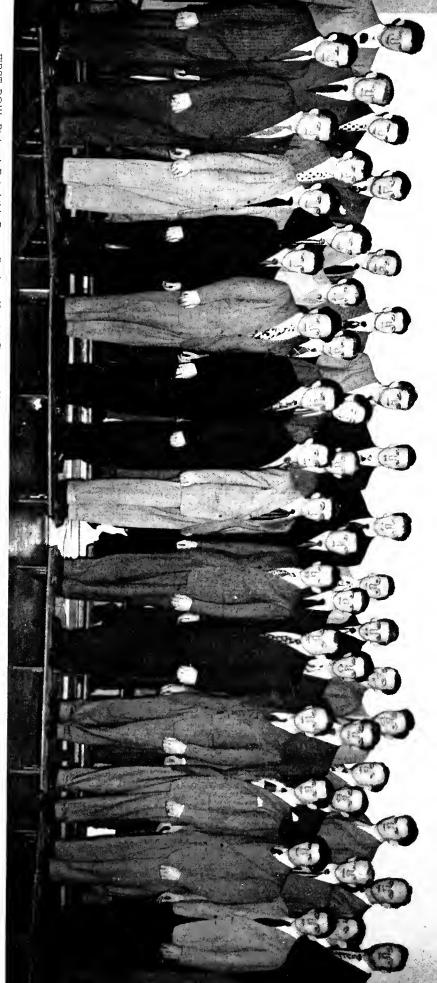

This has again been a successful and happy year for Knickerbocker. Many new friendships were formed and old friendships were strengthened. All the members are anxiously looking forward to another year together here on Hope's campus.

Cross Country

R. Paul, G. Van Single, C. Ottipoby, D. Vandenberg, A. Heasty.

For the first time in history Hope was represented in the field by a cross country team bearing the Orange and Blue. Originally eight men reported to Coach Jack Schouten last fall, but before the season ended the number had dropped to five. These five lettermen were: Alfred Heasty, Pete Kraak, Hugh Campbell, Gerald Van Single, and Collins Ottipoby.

The Dutchmen competed in three dual meets plus the M.I.A.A. meet at Albion. Their first dual meet was with Albion where they lost 15-47. The Kalamazoo Hornets visited the Hope campus Homecoming day and defeated the Dutch 18-37. In the final dual meet Hope edged Adrian 38-40.

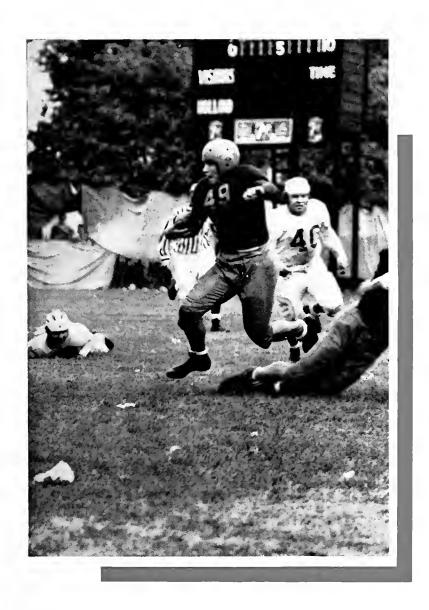

The results of the M.f.A.A. cross country meet show Albion an easy winner with 21 points. Kalamazoo took second with 65. Adrian nosed out Hope for third with 81 points. Hope followed with 88. Alma and Hillsdale grabbed

the last two spots with 132 and 133 respectively. Hope looked like a sure thing for third until Campbell almost collapsed near the finish. He dropped back about ten places.

Coach Vanderbush talks things over with linemen Moerland, Holwerda, and Timmerman.

With seventeen returning lettermen plus a number of promising freshmen to build his team, Coach Al Vander Bush issued the call for football practice late in the summer. The first game of the season was played at Big Rapids where the Hope College Dutchmen tangled with the Ferris Institute Bulldogs. Although Hope scored the very first time it received the ball with Nick Yonker carrying the ball over, the all important conversion was missed. The Orange and Blue made many drives into Ferris territory but could not score. The Bulldogs scored in the third quarter on a long pass and a line buck by Iullback, Sherman. The extra point was good and that ended the scoring for the day. The gun sounded with Ferris the victor over Hope 7-6.

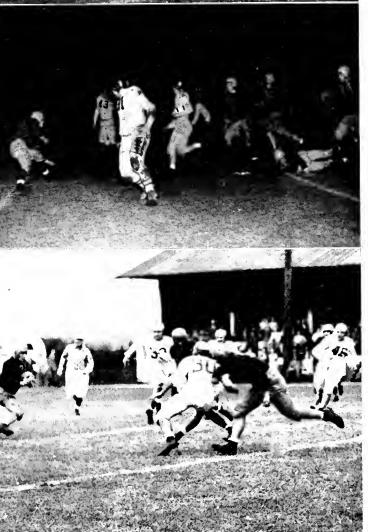

The Dutchmen opened the 1947 home season entertaining Grand Rapids Junior College at Riverview Park. Bob Emery scored first for the Dutch after a scoreless first quarter. The Raiders roared back only to lose

the ball deep in Hope territory. After a series of first downs by the Hollanders, Eddie Leverette, Ireshman scatback broke loose Irom J. C. and scored without being touched. Dick Higgs converted twice to make the scoreboard read Hope 14 — J. C. O. Grand Rapids struck back to score as fullback Plous drove over. The kick was good but that was all as far as Grand Rapids was concerned. Hope emerged with its lirst 1947 victory.

The lollowing week, Hillsdale opened the local M.I.A.A. season by trimming the Dutch 21-14. Emery opened the scoring for Hope on a 29-yard dash, but Bill Young tied the score on an end run. Young also kicked the extra point. The Dales went ahead on Tom Ward's off tackle smash after a long pass to the end, John Cuddeback. Young scored the linal Hillsdale touchdown to virtually sew up the victory. The Dutchmen struck back as Emery went 15 yards to score. The game ended however with the Hope men trying vainly to catch the elusive Bill Young and regain possession of the ball. Final score, Hillsdale 21 — Hope 14.

Coach Vander Bush next took his men to Albion where they proceded to ruin a happy

Briton Homecoming by shellacking Albicn 20-0. Emery ran 61 yards for the first touchdown. Jim Pfingstel passed to Yonker for the next score and Pfingstel himself scored the final touchdown on a drive through the line. Dick Higgs converted twice making the final score, Hope 20 — Albion 0.

Taking time out from their M.I.A.A. season the Dutchmen traveled to Ypsilanti where they edged Michigan Normal 12-7 in a game played in a driving rain and on a muddy field. Normal scored first on the first play of the second half on a pass interception. Emery drove over for the two Hope scores, the last one coming with four minutes remaining in the game.

Before a colorful Homecoming crowd the following week, Hope played host to its traditional foe, Kalamazoo. The team battled to a 6-6 deadlock. The Dutch scored on a short pass from Yonker to DeMull in the end zone. Kazoo tied the score in the third quarter as Flowers, Hornet fullback, drove six yards to score.

Traveling to Alma the following week, the Dutchmen spoiled another homecoming celebration by pulling a victory on the final play of the game. Alma scored twice in the early part of the game sparked by half-back Rex Roseman before Hope finally scored after a pass from Yonker to Kraai on the Alma three-yard line. Kraai carried the ball around the end to score as the half ended. Nick Yonker scored next to tie the score at 13-13. Alma struck back however with Rose-

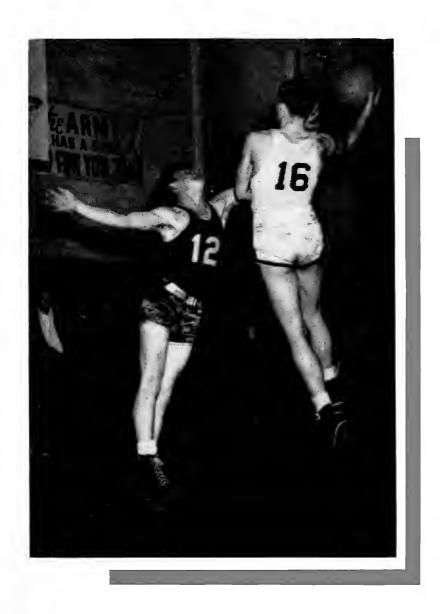

man again providing the punch and Alma led 19-13. With three minutes left in the game, Yonker pulled a Frank Merriwell and scored two quick touchdowns. The last one came on a pass from Jim Pfingstel. The score was Hope 25 — Alma 19.

The season was climaxed at Riverview Park in the Adrian game as the Dutch won the game with Emery making a touchdown in the second guarter. This victory gave Hope third place in the M.I.A.A. and a season record of five wins, two losses and a tie. Coach Vander Bush and the team are to be congratulated on a very successful season. Hope was honored at the end of the season with three men picked on the all-conference team. Nick Yonker was selected unanimously at quarterback, Clair De Mull was chosen at end and Len Dick at guard. Seven seniors played their last game for the Orange and Blue. They are Vern Kraai, Ernie Post, Ken Weller, Don Ladewig, Bill Draper, Glenn Bruggers and Len Dick.

It looks good, but Kazoo didn't get far on this one.

Coach Hinga looks unusually coal before the Alma game.

The sound of a dribbling basketball was heard in Carnegie gymnasium long before the football squad finished their games. Ccach Milton Hinga began to round his twenty-fifth and final Hope College basketball team into shape for defense of their M.I.A.A. title. Returning veterans from the championship team were Captain Don Mulder, Harold Buter, Harvey Buter, Nick Yonker, Fred Brieve and Charles Ploegsema.

Before the season was well started Coach Hinga had found the right scoring combination and the one addition and spark was allstate freshman, Bud Vande Wege. The Dutchmen defeated Grand Rapids Junior

College to start the season. Vande Wege took high scoring honors with 13 points with Nick Yonkers taking 12 points. Another home game was against Michigan Normal and Hope again came through, 66-48. Harold Buter starred with 20 points. At guard, Bill Holwerda stood out on defense.

The M.I.A.A. competition opened against the Adrian Bulldogs who came to Holland only to be overwhelmed 83-38. Don Mulder led with 22 points. The Scots from Monmouth College arrived in town, to have Hope defeat them 80-54. Mulder totalled 29 points to set the highest mark which was to stand the remainder of the season.

Hope continued its winning ways at home by running away from the Kalamzoo Hornets, 66-45. Mulder again led the scoring with 18 followed closely by Harold Buter and Yonker with 16 and 14 respectively. "Moose" Holwerda on the defensive backboard, again was outstanding. Hillsdale College was the next visitor to Holland. Hope pulled away to a 61-40 victory with Bud Vande Wege tossing in 25 points.

After six straight home games, the Orange and Blue traveled to Albion only to have the Britons emerge the winners 74-63. Hope continued to Alma and dropped a 49-48 decision to the Scots. Vande Wege again led the losers with 18 points.

The Hopites at Battle Creek trounced the Percy Jones Hospital team 68-40 with reserves playing most of the game. Harv Buter captured high scoring honors of 18 points.

Back to the M.I.A.A. contest, the Hope team defeated the leading Albion Britons, in the highest scoring game of the season. Vande Wege and Mulder led the team to a 85-71 victory.

Everyone "jackeys" for position.

Our natural rivals, the Calvin Knights played host to the Dutchmen. Paced by Mulder who scored 13 points, the Orange and Blue lads edged the Knights 55-42.

the Adrian Bulldogs, 55-53. The following week, Hope edged Alma 54-42. Jack Marema proved the hero of the game with his three points clinching the victory and knocking Alma out of the league championship.

with 16 points each.

To climax the very successful season the Hingamen outlasted a very stubborn Calvin team to the tune of 72-61. The Hope-ites finished the season with a record of fourteen wins and three losses and a seven win and three loss record in M.I.A.A. play to tie them with Alma for second.

For Coach Hinga it was a fitting climax to a highly successful career for two of his players were picked for the all M.I.A.A.

They were Don Mulder at guard, who was picked for the fourth time and Bud Vande Wege at forward, who not only completed the feat of being picked to the honor team as freshman, but also led the league in scoring, just edging his teammate, Mulder.

Mulder, too climaxed a successful basket-ball career in being selected along with Louis Moon of Albion as the most valuable player of the M.I.A.A. in the first tie selection in the history of the league.

The Hope College freshman basketball team thundered through a very successful 1947-1948 season. They won ten while losing only one. Under Coach Schouten the team opened the season with four easy wins: Arcadians 52-22, Hope Church 42-21, Oakdale Church 38-17, and Bethany Church 43-28.

Kalamazoo was next, and the "B" team had to come from behind to stop them 38-30. The remaining games of the season were all close, but in all but one Hope had the power at the end to push through the needed buckets. Downtown Nash went down 43-32, and Allen's Radio 37-34. A trip to Grand Rapids brought a 44-38 win over Calvin. However, things didn't go so well at Kazoo that weekend when the team dropped its only game 56-53. Ken Etterbeek made a sensational tip-in to beat Pete's Barbeque 30-28. The season closed with a thrilling 40-35 victory over Calvin.

Bill Hinga and Fred Kalsbeek finished one-two in the team's scoring.

SPRING SPORTS

Baseball

With the M.I.A.A. inaugurating base-ball for the first time as a conference sport, Coach Jack Schouten is faced with only five lettermen around which he must build a Hope College nine to compete with the other schools. Bill Hillegonds is the only returning catcher, and "Lefty" Bill Ver Hey forms the other half of the battery as the only pitcher. First and second base are open, but returning from last year at short stop and third base are Don Mulder and Ernie Meeusen. The one veteran outfielder is "Mouse" Van Wieren.

Dutchmen whipping Grand Rapids Junior College twice, Calvin once, and Aquinas once. They split home and home series with Muskegon Junior College, Albion, Central Michigan, and the Michigan State "B" Team. The Western Michigan "B" team was the only team to defeat Hope twice.

Seven meets are on tap for Coach Al Vanderbush and his track crew for the 1948 season, with the important All-M.I.A.A. meet climaxing the season. Especially strong in the dashes this year, the team again goes to Kalamazoo for the gib meet where they captured third last year.

High point winner on last year's squad, Vern Kraai heads the list of letter winners in the 100 and 220 yard dashes. Bob Koop, Howard Bruggers, and Walt Boerman return for the 440. The hurdles find Ken Decker and Gerald Formsma back. Fred Veltman and Ray Heemstra provide the throwing arms for the discus and javelin respectively. Jim Lamb will try to defend his M.I.A.A. pole vault championship.

It is difficult to predict where Hope will finish in the track standings. Alma

and Albion are still strong. Adrian has shown tremendous improvement, and Hillsdale is stronger. It is safe to say that Hope will have to work for any position above fifth.

Fred Veltman shows the form that broke the school discus record.

Golf

Most matches are won or last on putting

Prospects for Hope's 1948 golf squad were good as the season started with three lettermen returning to Coach Albert Timmer. Eight more men were battling for the remaining positions. The three lettermen from last year's M.I.A.A. championship team are Earl Holkeboer, Chris Den Herder, and Baxter Elhart.

The eight other men competing in the inter-squad matches are Ed Brondyke, John Pelon, Bob Houtman, Henry Visser, Clarence Hopkins, Andrew Zimmerman, Bill Miedema, and Dale Akridge. From these eleven men Coach Timmer will pick eight to represent Hope in the 1948 season.

The Women's Athletics Association sponsors a program throughout the whole year designed to provide every girl with at least one sport she enjoys. Volleyball and bowling are two of the activities offered in the fall. Volleyball consisting of six teams was carried on in a round-robin tournament basis. Bowling was on an individual basis. The winners were chosen by individual seasonal averages and the highest individual score.

In addition to sponsoring the traditional observances of Freshman orientation, Homecoming, Dutch Treat Week, the All College Sing and many other functions, this group was responsible for scheduling student assembly programs along with certain members of the administration and faculty.

The student council is composed of representatives from each fraternity and sorority as well as from the YWCA, YMCA, Women's Activities League and other organizations.

Women's Activities League

Under the capable leadership of Marjorie Lucking another successful year filled with W. A. L. sponsored social activities has drawn to a close.

All college women are members of the Women's Activities League. The board itself is made up of representatives of every class and of every women's organization on the campus. The girls are advised and counseled by Dean Reeverts and Miss Frannie Koeman. Each board member is in charge of a special activity which requires initiative and energy.

At the beginning of the year booklets, announcing all the coming events, were distributed.

The 1947 Y cabinets' Retreat was but an insight into the work and planning that a new and successful year would require. With the beginning of that year the monotony of registration was relieved by the "Y" sponsored Beach Party for all new students. The opportunities of making new acquaintances through recreation, and spiritual fellowship were accepted and many have become lasting.

Later in the year the "Y"-scheduled chapel tours conducted by Dr. Dimnent gave many students a greater appreciation of our magnificent chapel.

The November Mission Drive challenged us to build a chapel on our new African-Sudan field. The planning of Russell Norden and Judith Mulder supp'emented by the words of the Rev. Donald McClure were the incentive to a goal of \$2000 which was surpassed.

Religious Emphasis Week in February centered around the inspired messages of Dr. R. W. Lloyd from Maryville College, Maryville, Tennessee. An innovation in the week came in the form of participation for one day by four Kalamazoo College students, and in exchange representatives were sent to participate in the Religious Emphasis Week at Kalamazoo College.

Deputation teams have been sent out to various churches, and with their messages, both sung and spoken, they have been graciously received. The North American Student Frontiers Conference touched and inspired the lives of the nine students who represented Hope, and the inspiration they received has been passed on to many others. The presence of the Rev. and Mrs. Soeter, as campus visitors, has also been a blessing to our college, and they shall long be remembered.

Each week as most challenging messages have been delivered and accepted our motto has been to "Make Christ King of our Campus," and the results are shown in the spiritual growth of the lives of many.

September, the month when college doors swing open to all old and new students for another school year. 1947 found the Y.W. at the depots greeting new students, meeting the Dutch delegation, presenting a skit to the class of '51 at the Orientation get-to-gether; distributing the Y-Fore and H-Hilites to all the students and faculty. Ottawa beach was a scene of lun and fellowship as the "Y" entertained the frosh at a beach party. No one will forget the singing at the campfire, or Prof. Avison's "Old Mother Hubbard," nor the "Y" quartettes, "Dry Bones."

A candlelight recognition service for new members was held in October. Don McClure, dynamic missionary, from Africa spoke at the annual mission drive in November. Result of the drive was a Hope Chapel made of mud bricks in Africa.

Christmas memories recall the impressive meeting as "the Life of Christ' was given in song and poetry. Vacation found the Y.W. president at the University of Kansas to attend the North American Student conference.

An inspiring Religious Emphasis Week brought to our campus Dr. Ralph Waldo Lloyd from Maryville, Tennessee. Special chapel service, conferences, a question-box night put a new zest into the students for deeper consecration of life and talents.

Throughout the year the Y.W. had a great variety of meetings. There was the night when Mrs. DeJong gave a poignant account of a missionary's wife in Arabia, or the inspiring talk by our beloved Dr. Dimment, and our own Dr. Pieters, and Dr. De Graaf.

April brought Rev. and Mrs. John Soeter as campus visitors. New officers for the coming year were installed.

The Y.W. was under the counselorship of Mrs. Lubber and Miss Margaret Gibbs.

Matthew Otte, Sparts Editar.

Bud Ridder, Associate Editar.

FIRST ROW: M. Van Loo, A. Hibma, B. Bame, J. Ten Hoeve, N. Vyverberg. SECOND ROW: R. Quant, E. Van Dam, D. Sluyter, H. Vander Woude, S. Schrier, C. Leffingwell. THIRD ROW: R. Hill, R. Kerr, D. Leonard, P. Maasen, D. Lam, H. Koop.

Carolyn Ingham and Owen Koeppe. However in the Fall, Koeppe relinquishing his duties to serve as Milestone editor was replaced by Herman Ridder.

An innovation to this year's staff was the addition of a make-up editor who with Hoeksema helped set-up the paper at the printers. Bob Wildman served in this capacity. Other members of the editorial staff were Helen Wagner, news editor; Virginia Hemmes, feature editor; Dorothy Davis, society editor and Ruth Ruys, exchange editor. Richard Hoebeck served as circulation manager while Joe Palmer and Richard Brown handled the business end of the paper.

Headquarters for the staff was a basement room in Van Vleck Hall where the editorial staff could be found working on Friday afternoons and Saturday mornings.

Resolved: That a federal world government should be established—this was the question that faced the debate squad this year. Those on the affirmative team were Lambert Ponstein and Don Buteyn, Bill Jellema and Harvey Moes, and Al Pennings and Charles Previte; while those composing the negative teams were Arthur Ponstein and Henry Shaw, Dennis Shoemaker and Floyd Goulooze and Kenneth Weller and Bud Newton with Robert Paul as a substitute.

In preparation numerous debates were held on the campus between various teams before several clubs in the city, and with debate teams from other colleges. The teams then traveled to East Lansing in February as well as to Bloomington, Illinois to engage in competition tournaments. After winning honors at these tournaments the crowning achievement was reached at the convention and tournament of Pi Kappa Delta at East Lansing where the Hope Debate squad was presented second place honors.

Musical Arts Club

The Musical Arts Club is composed of music students who are interested in meeting together several times during the year and listening to worthwhile programs. In addition to meetings of this sort which are intended to broaden their musical background the group sponsors several worthwhile projects including the school songs contest now in progress. Faculty advisors are members of the music faculty.

Madrigal Group

Composed of approximately a dozen music students who like to sing and

have time outside other music groups to devote to it, this group sings English madrigals; amorous lyrics adapted to five or six part setting and sung unaccompanied.

Under the direction of Miss Jantina Holleman of the music faculty they added to many outside church programs as well as to college functions.

Men's Glee Club

For the first time in many years Hope's singing emmisaries included a western trip on their program. Composed of 31 picked voices the Men's Glee Club, starting on March 29, toured

several mid-western states for two weeks, including Illinois, Wisconsin, and Indiana, singing concerts in twelve churches, live high schools, and several large industrial concerns. In addition a broadcast was made over WTMJ in Milwaukee and several additional concerts were given later in the spring after the trip, including a joint concert at Tulip Time with the Girls' Glee Club.

The program consisted of five groups, three by the Glee Club, a cornet duo, and a pianist, Herbert Ritsema, who also served as the accompanist. As in other musical organizations a highly diversified selection of numbers was featured with due emphasis on sacred as well as secular music.

The versatility of the club and it's clean cut, artistic performance in themselves attest to the excellence of its popular director, Prof. Robt. W. Cavanaugh and also served to strengthen the fine reputation already established.

Women's Glee Club

Under the direction of Mrs. W. Curtis Snow on March 29, the Women's Glee Club, consisting of 32 selected vocalists, started a two weeks tour of Eastern states including New Jersey, and New York. Included on the itinerary were concerts at 11 churches and a fifteen minute broadcast over the Mutual Broadcasting System's network.

The program consisted of three

groups of both secular and sacred numbers representative of a wide variety of musical interpretation, as well as piano solos by Ruth VanderPloeg and readings by Mary Vande Wege and Pat Letz. The very able accompanist for the group was Alma Vander-Hill.

In addition to their Eastern tour the girls presented several concerts in cities of Western Michigan and provided music for many school functions.

An innovation, this year were the matching white formals and new orange and blue robes which gave this talented and well trained group an excellent appearance, and which helped to further the fine tradition established by previous clubs.

Band

Active in school functions once again was the Hope College Band under the direction of Mr. Rider. This group made themselves a significant part of many aspects of extracurricular life.

The marching band provided music and half time entertainment at each of Hope's home football games. Playing well-known football songs they also executed many clever and well thought out formations in addition to presenting the colors before each game.

At each of the home basketball games the band was present and was vital in adding to the spirit of the student body.

T. Smith, H. Ritsema, H. Bronkhorst, R. Norden, A. Van Eck, R. Kranendonk, E. Tangenberg, W. Giles, R. Hendricks.

ACCOMPANIST: Frances Rose.

The concert band was also active for the first time in many years. Two full concerts were presented, one at a student assembly and the other in the evening. Featured were works of Bach, Boccherini, and Coates, along with a variety of others. Hampered by a variety of troubles the band is to be commended in making such an auspicious start.

Orchestra

This year Hope's department of instrumental music again came into the limelight with the addition of Prof. Morette L. Rider to the music faculty.

The Hope College Orchestra composed of picked student instrumental-

ists presented three full concerts during the year and performed in a manner that would have done credit to many college orchestras of longer standing and background.

Under the direction of Mr. Rider the crchestra presented a varied type of program featuring such works as Schubert's Unfinished Symphony, Finlandia by Sibelius, and the L'Arlesienne Suite No. 1, by Bizet. Featured with the orchestra as soloist in their second concert was Prof. Cavanaugh. In addition to their concerts the orchestra assisted in the annual presentation of Handel's Messiah, at the college, and in Zeeland, Michigan.

A great deal of credit must be accorded Prof. Rider and the members of the orchestra, led by concertmaster Jef-

frey Wiersum in going so far in such a short time.

Chapel Choir

Again this year as before the Chapel Choir provided music for many outstanding programs, being at the apex of religious music at Hope this group presented all sacred music in their performances.

During the first semester the highpoint was the annual presentation of Handel's Messiah. Under the direction of Prof. Cavanaugh, augmented by outstanding soloists, accompanied by the orchestra, organ and piano, the choir with the addition of all those from the college who wished to take part presented this oratorio on Dec. 16.

Under the direction of Mr. Cavanaugh the first semester the choir also presented a Christmas vesper service, and provided special music on several other occasions.

The choir was taken over by Miss Hazel Paalman the second semester. Under her direction an all sacred concert was prepared and given both in Grand Rapids and Holland.

Pallette and Masque

The basement of Zwemer Hall blossomed out with a new name this year, and a new position in campus life. This reconversion into the P. and M. Playshop, brought about many advances and transformations in the work of Hope's dramatic society, Pallette and Masque.

The staging for "The Imaginary Invalid."

of Speech and faculty advisor of "P. and M." made known the big plans already under way for this year's dramatic endeavors at the organization's annual Fall beach party.

And these plans did prove to be big ones, because two, three-act plays and one one-act play, under Mr. Avison's direction, were presented, and two one-act plays, student-directed by Ray Martin and Marion Reichert.

Any afternoon of the week would find members of P. and M. in the Play-

shop rehearsing, building sets, painting furniture. sewing draperies and costumes, searching out properties, fixing lights, or doing any of the other important jobs necessary for a good stage production.

Hard work, willingness to cooperate, and a keen interest in seeing good dramatic productions on Hope's campus, are the keystones of P. and M. The results of this organization's efforts were easily seen in the different dramatic activities of this year.

The all important audience seems to be enjoying the production.

The Milestone

The MILESTONE is published yearly by the Junior class. Owen Koeppe, this year's editor, was elected by the class last May. Spring campus scenes and May Day shots were taken before commencement. In early fall a new printer was contacted and the layout of the book began to take shape.

were taken before Christmas. Betty Boelkins scheduled all appointments. Senior and faculty pictures straggled in until mid-February.

Meanwhile Business Manager Phil Meengs had exceeded the quota on advertising long before his deadline. This section was printed in February. Tim Harrison's literary staff had the bulk of their material in before the end of March. Ted Flaherty and Al Schaafsma were constantly busy taking pictures of anything and everything. Mary

Mary Vande Wege, Associate Editor, and Mr. Shaafsma

Vande Wege, Associate Editor, handled the printing of most of the pictures.

Things got busier as time went by. The covers were delayed. Spring sports had to be covered. Pictures were captioned. Groups were identified. However, thanks to an efficient printer, the book kept rolling off the presses. The last few odds and ends came in and the 1948 MILESTONE was finished!
